PANTONE®

A fan of Pantone color swatches, organized into rows and columns. Each swatch is a small rectangular chip with a color label on top and a larger label on the bottom. The colors transition from green and blue on the left, through purple, red, orange, and yellow, to various shades of brown and beige on the right. The labels on the top of the swatches include the word 'PANTONE' followed by a number. The labels on the bottom of the swatches include the word 'PANTONE' followed by a number and a description of the color's name, such as 'PANTONE 14-0718 BVA', 'PANTONE 14-1018 TPK', 'PANTONE 14-0317 TN', and 'PANTONE 14-2110 YRK'.
